Activities:	Photo-dive, Boat-dive		
Alarms:			
Buddies:	Mitch Rollins Blue Water Divers 34201	Manual input	
<p>Mares Genius. This was a dive along the reef - we went over the wall to look under the overhang at the black coral and along the wall for 17 min then returned to 50 ft for the rest of the dive. Used Sea and Sea Motormarine. Susan and I then went to Gibbs Key and saw the rays. There were two rays that kept coming back. Used the Nikonos IVA at Gibbs.</p>
