Air Consum.	25.5 pd/sqin/min		

  

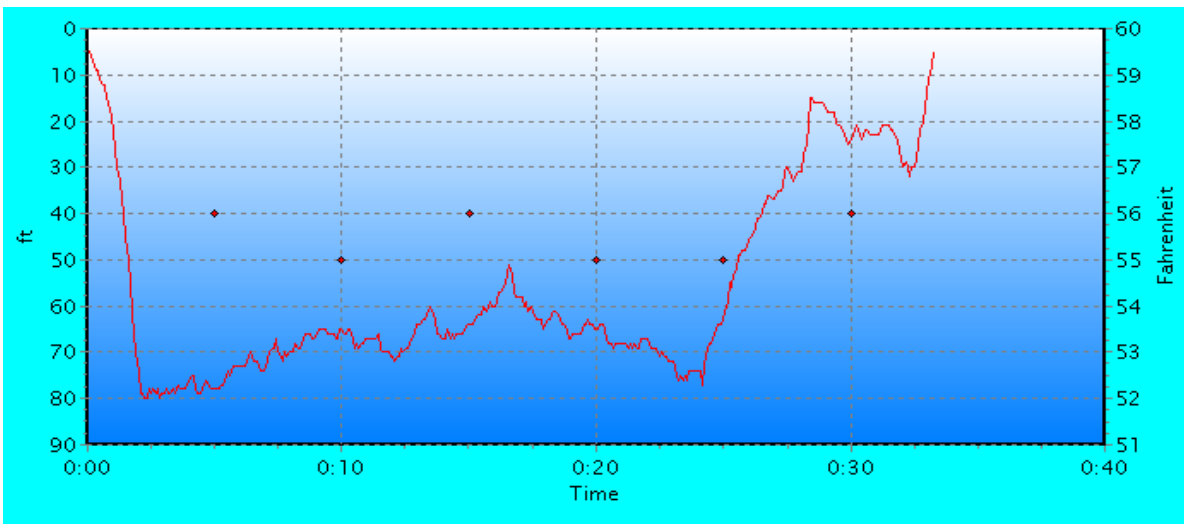

Tank	100cf steel
Housing	Ikelite
Lens	Canon 17X85mm
Computer	Cyber Aqualand NX

This was actually a nitrox dive treated as normal air. Dove with Mogens Norgaard, Dan Norris, Erik Peterson and William Wagman for a pre-OOW08 dive. Susan also tried to dive but the rental wetsuit was too loose and she got chilled.

The water was loaded with krill making getting good shots tough. I also had problems with my dive mask leaking. Lots of kelp, anemonies and small fish.
